

Name & Family	Height	Code	Photo
Anna x Kilimanjaro Amazing deep red rhodo with stunning foliage. A very popular red.	2m	M	1
Baden Baden <i>Essex Scarlet x forrestii ssp forrestii Repens Group</i> A low growing plant that is laden with bright green foliage. Flowers are clear glowing red with darker centres.	1.2m	M	2
Bibiani <i>Mosers Maroon x arboreum</i> A vigorous and easily grown plant. Bright flowers are waxy red. Deep green, heavily textured foliage.	1.5m	E	3
Billy Budd Large trusses of dark red waxy flowers on a compact bush. Foliage has a slight indumentum (fluff on the underside of the leaf).	1m	M	4
Black Magic <i>Jean Marie de Montague x Leo</i> This black-red appeals to people who don't usually like the reds. The deepest red there is. Good sized trusses are held well too. Dark green foliage.	1.2m	L	5
Brickdust <i>Williamsianum x Dido</i> Brick red flowers on a small bush.	90cm	M	6
Britton Hill <i>Jean Marie x Red Loderi</i> Amazing large glowing red flowers with a deeper eye. The large ball trusses sit atop deep shiny large leaves. Plant is vigorous and bushy. Some shade preferred.	1.8m	M	7
Buketta <i>Spitfire x Fruhlingszauber</i> Frilly edges, strong red with deep purplish-red markings. Shelter from wind.	1m	M	8
Burning Bush <i>Rhododendron haematodes x Rhododendron dichroanthum</i> A low, spreading shrub with blood red bell shaped flowers that hang in clusters, flowers have wavy edges.	1m	M	9
Cornubia <i>Arboreum x Shilsonii</i> An early red which ranks amongst the best for clarity and colour. Even though it will flower when frosts are still a risk it flowers over a long period providing a great display. Good strong grower which keeps its shape.	2m	E	10
Cornubia Variegated Bold green and gold variegated foliage makes this a striking rhododendron with bright red flowers.	1.5m	M	11
Dopey <i>(facetum hybrid x Fabia) x (degronianum ssp yakushmanum x Fabia Tangerine)</i> Deep red flowers which last well but fade towards the margins as they age. A compact upright plant. This plant prefers to be sheltered from the wind and sun. One of the seven dwarf series.	1m	M	12
Elizabeth Bright red flowers on a strong bush.	1.2m	M	13
Elizabeth Hobbie <i>Essex Scarlet x forrestii ssp. forrestii Repens Group</i> Scarlet-red flowers in early Oct on a compact bush. Slightly more spreading variety.	1m	M	14
Fireman Jeff <i>The Honourable Jean Marie de Montague x Grosclaude</i> Bright blood red flowers in ball shaped truss of 10 flowers. Good green foliage.	1.5m	M	15
Flaming Comet <i>Ring of Fire x Lem's Cameo</i> Attractive, glossy leaves cover this plant, making it a joy in the garden for the 11 months it is not in flower. But, just wait until it bursts forth with its luscious, creamy flowers edged in bright red. A sight to behold! You'll turn your gardening friends green with envy.	1.5m	M	16
Grace Seabrook <i>Jean Marie de Montague x strigillosum</i> An early blooming bright blood-red with superb foliage.	1.2m	M	17
Gwyneth Masters Cardinal Red with spotting on the upper lobes. Light tan indumentum. Vigorous but compact. Foliage dark green.	1m	M	18
Halfdan Lem <i>The Honourable Jean Marie de Montague x Red Loderi</i> Red with darker spotting on dorsal lobe. Leaves glossy dark green. Upright grower. Full sun to get best plant habit and abundant blooms.	1.5m	M	19

Name & Family	Height	Code	Photo
Huntington <i>unknown</i> Everything is compact and cute. Bright fire engine red flowers. Leaves are small and habit is low and mounding. Hardy.	1m	L	20
Impi A very late flowering rhododendron that is deepest burgundy/black red. Small flowers on a small compact bush.	1.2m	L	21
Jean Marie de Montague' x Jim Dury A very robust and bullet proof variety. Full sized trusses of a true red are well complimented by long, matt green leaves, leathery in appearance. The plant withstands high light levels and heavy frost.	1.8m	M	22
Johnny Bender <i>Jean Marie de Montague x Indiana</i> Flowers bright currant red, darker spotting dorsally, in round tight trusses. Foliage is deep green and shiny.	1.2m	M	23
Kaponga <i>Arboreum x Ivory Scarlet</i> An upright bush of dark green leaves with silver reverse. Scarlet red flowers.	2m	E	24
Lems Stormcloud <i>Burgandy x Mars</i> Dramatic colour, deepest red with a blackcurrant tinge. Unique form of flower perfectly symmetrical. One of the favourite black reds.	1.5m	L	25
Lord Roberts Deep red flowers with a black flare. One of the toughest and strongest red varieties suitable for most locations. It forms a dense bush with thick leathery foliage.	1.8m	M	26
Markeeta's Flame This vigorous grower makes a beautiful plant even when not in flower, showing off deep fir-green leaves and red leaf stems. It flowers in magnificent rose red.	1.5m	M	27
Markeeta's prize <i>loderi venus x anna</i> Strong stemmed and vigorous, with bright red huge flowers sitting on top of waxy green foliage.	2m	M	28
Matador <i>griersonianum x strigillosum</i> Brilliant dark orange-red slightly drooping funnel shaped flowers.	1.2m	M	29
May Day <i>haematodes x griersonianum</i> Flowers bright orange-red with faint brown spots, large calyx.	1.5m	M	30
Mrs Jamie Fraser Amazing deep burgundy red flowers on a strong bush.	2m	L	31
Nobileana Rubra Big dark red blooms form a good sized truss. Attractive upright foliage.	1.5m	M	32
Noyo Chief <i>arboreum ssp. nilagiricum? x unknown</i> A nice plant with outstanding foliage of highly glossy dark green. Flowers are in tight bright red trusses. Needs some shade.	1.5m	M	33
Ostbo Red Elizabeth <i>unknown</i> Clear red flowers smother the plant followed by deep red new growth, giving long term garden appeal.	1m	E	34
President Roosevelt <i>arboreum hybrid</i> Variegated foliage makes it will recognised and sought after. Dark red edged white flowers. A well known and often asked for rhodo.	1.2m	E	35
Raging Bull <i>yakushmanum x elliottii</i> Deep red flowers in a good sized truss are presented on a well branched and vigorous growing plant.	1.5m	M	36
Red Jack An attractive ruby red flower on a fantastic foliage shrub. A good solid hardy hybrid.	1.8m	M	37
Ring of Fire <i>Darigold x Idealist</i> Wavy edges, light yellow, edged with red, outside mostly red with some light yellow near the base.	1.5m	L	38
Rubicon <i>Noyo chief x Kilimanjaro</i> Deep velvety red tight trusses, spotted darker red. Superb foliage.	1.2m	M	39
Ruby Heart <i>Carmen x Elizabeth</i> Dark red waxy flowers appear on this fine dwarf plant. It has the deepest and most glossy green foliage possible.	1m	E	40
Scarlet King Magnolia <i>Ilam Alarm x griersonianum</i> Rich red flowers bloom on a shrub that will tolerate some sun.	2m	L	41

Name & Family	Height	Code	Photo
Scarlet Wonder A compact small shrub forming a spreading mound with dark, ribbed leaves and small, loose deep red flowers.	1.5m	M	42
Taurus <i>Jean Marie de Montague x strigillosum</i> Taurus looks good at every stage. Deep green pointed leaves are held well and large red flowers are delightful.	1.5m	E	43
Tornado Currant red flowers darker in the centre. Compact bush with dull green foliage.	1.8m	M	44
Unknown Warrior Rose red/pink flowers with a few dark markings.	1.5m	E	45
Vulcan's Flame <i>griersonianum x 'Mars'</i> Bright red flowers on a vigorous but compact plant.	1.5m	M	46
William Downing Deep royal red flowers. A very popular plant.	2m	L	47
Witchery Fiery red flowers on a bush that requires shelter from the wind. The new growth is covered with silvery tomentum - a spectacular show.	1.2m	L	48
